Revista Española de Patología, a quarterly scientific and professional bulletin, was created in 1968 by Alberto Anaya M.D. as the Official Journal of the Spanish Society of Pathology and has been published continuously since then under various Editors. The Journal expanded in 1993 to also represent the Spanish Society of Cytology. Since 2002, a digital version in Internet is available at www.pgmactline.es/revpatologia and all issues, starting in 1968, have been indexed. The full text of articles published since 1996 can be obtained at www.repatologia.com.
